Every order, whatever channel it came from

The order hub where web, counter, and phone orders all land — picked, packed, dispatched, delivered, and returned, with a rider app for the last mile.

Family	Rutba Suite
Category	Order management (OMS) & delivery software
Status	Available
Apps included	2
From	\$19 per user / month
Requires	Rutba Inventory
Works with	Rutba Commerce, Rutba Books, Rutba CRM
Buy or trial	rutba.io/suites/orders

THE PROBLEM

Why it exists

Orders arrive from everywhere and get fulfilled in one place, so that place should not be three separate queues. Rutba Orders is channel-neutral by design: storefront, POS, and manual sales all create the same order, tracked through the same pipeline, down to the driver at the door.

FIT

Who it is for

- Businesses selling through more than one channel
- Operations running their own delivery fleet
- Anyone handling returns at volume

APPS IN THIS PRODUCT

What you get

Orders

The channel-neutral order hub — picking, packing, dispatch, invoicing, and returns.

Rider

The driver app: assigned runs, navigation, proof of delivery, and cash collected.

WHAT IT DOES

Capabilities

- One queue for web, counter, and phone orders
- Pick and pack workflows with stock reserved automatically
- Delivery runs assigned to drivers, tracked live
- Proof of delivery and cash-on-delivery reconciliation
- Returns and refunds that put stock back correctly

COMMERCIAL

Plans and pricing

PLAN	PRICE	INCLUDES
Starter	\$19 per user / month	Up to 500 orders / month; Pick & pack; Basic returns; Carrier handoff
Growth	\$44 per user / month	Unlimited orders; Rider app & route assignment; Proof of delivery; COD reconciliation; Full returns workflow
Enterprise	Custom annual contract	Unlimited riders; Custom carrier integrations; Warehouse automation hooks; Ops SLAs

Prices are in US dollars and exclude local taxes. Every plan is billed through rutba.io/suites/orders. Annual and multi-product pricing is available on request.

RUTBA SUITE

How it fits the rest of the suite

Rutba Suite is 20 products across three lines — the business suite, the workspace and the platform services underneath — sharing one customer list, one catalog and one set of books. Buy the one you need today; the rest slot in without a migration.

Vision

CONTACT**Talk to us**

Tech Style Ltd is a UK technology company building enterprise software, procurement intelligence and AI platforms. Tell us what you are trying to do and we will tell you honestly whether we are the right people for it.
